

Dear Students & Parents,

To encourage development of our students' innovative skills, we are happy to inform, that our school is participating in **HCL JIGSAW 7.0** a prestigious and unique attempt to spread awareness on **Problem Solving And Critical Thinking, using Project Based Learning (PBL) approach.**

Project-Based Learning (PBL) is one of the effective ways to help learners think critically, act independently, and handle real-world challenges. Students will learn about the importance of 21st century skills like problem-solving, critical thinking, teamwork, research, collaboration and communication skill which will help them apply these to solve real-world challenges.

Students will receive online video learning content and expert sessions to guide on the projects. Online mentor support will be available in student portal.

We are pleased to inform that your ward is eligible to participate and represent the school. This is not related to Maths or Coding, but relates to the ability to think, ideate and solve. It's a Free registration and **no fees is to be paid for any round.**

Round 1 - Project Worksheets Submission (01st June to 31st Aug)

Each team will complete 03 projects, online.
